## About US

Al Hashimi Accounting and Auditing is a firm of Business Advisers and Chartered Accountants operating throughout the state of Qatar since 2007. Over the years we have provided expert accountancy, taxation, auditing, and business recovery services to a wide range of clients, from individuals and partnerships to small and medium-sized businesses and larger organizations.

We believe the foundation of good business practice is based on Quality and trust. We work closely with each client to build a solid and professional proactive relationship that offers comprehensive and innovative solutions, empowering business growth and achieve Business goals.

we take great pride in our ability to customize our services to suit each of our client's specific requirements and needs that help them to achieve their business goals. We achieve this by using a team of committed and experienced professionals to deliver the highest professional standards maintaining integrity & transparency to ensures that our clients receive the most accurate and relevant Solution.

### Our Vision

To become one of the leading auditing and accounting firm in Qatar providing utmost satisfaction to all the clients. And create business model that enriches maximum profitability and sustainability.

### Our Mission

To provide our clients with the highest quality accounting, auditing, tax planning and business consulting services delivered in an efficient and innovative way by a professional team to exceed our client's expectations.

## Our Values

At AL Hashimi our values provide our core guiding principles. They define the way we work, underpin our decisions, drive our actions, and positively influence our behaviors.

Our strong client focused culture has helped develop the pioneering and friendly approach that comes with a level of proactivity that help our clients to grow their business and reach their goals.

### Quality

We focus on creating a great value added service and tailored solutions for our client.

### Trust

Consolidated knowledge, a strong ability to analyze and significant experience in the development of successful strategies form the basis of our daily activities, which allow us to gain the trust of our clients.

### Integrity

We are honest, open, ethical, and fair. Our clients recommend us to their friends and family members because of the mutual trust we have built over time.

### Innovation

We use technology to reduce human error to the lowest level.

### Customer Focus

Rather than telling our client what to do we show our client how it can be done.

### Efficiency

Everyone within our team must work with responsibility and efficiency

### Total Client Satisfaction

Improving your business performance is our goal. Managing a healthy cash-flow and financial planning for business growth is the foundation for all we do.

## *Your Chartered Accountants of choice*

### **Audit and Assurance**

Alhashimi, our aim is to give our clients a clear insight into their corporate strategy, business processes and financial reports.

We provide a range of audit, reporting, corporate governance and risk management services.

### **Internal Audit**

Internal audit is an independent, objective assurance and consulting activity designed to add value and improve an organization's operations.

It also helps an organization to accomplish its objectives by bringing a systematic and disciplined approach to evaluate and improve the effectiveness of risk management, control and governance processes.

Our scope of internal audit includes:

- Review of existing policies, procedures, controls and forms.
- Verification of transactions.
- Audit of internal controls and systems.

## Tax

Al Hashimi, we specialize in providing Income tax services to small scale and medium scale businesses. Our range of services include preparation of income tax returns, getting assessment done, tax compliance and all other related income tax work.

- Filing of income tax return
- Application for Tax Card
- Tax Planning & Tax Consultancy
- Assessment compliances
- Tax Compliances
- Representation before the tax authorities

## Accounting and outsourcing

At Alhashimi, managing efficient accounting processes is one of our core competencies. Whatever your back office needs, we deliver the right information at the right time. In addition to long-term outsourcing arrangements. We will not only present your annual financial statements; but also review your overall financial records.

## Financial advisory

Alhashimi, we offer a full range of services that will give you a clear insight into your company strategy, business processes and financial reports.

## Feasibility Studies

Many startup businesses need assistance with business plans. Established companies wishing to expand with different product lines or other expansion projects also need a business plan. We also help new entrepreneurs to prepare feasibility studies for new projects including conducting market and marketing research. For highly specialized market survey, we can draw required expertise from our resource partners.

## Business Valuation

An accurate assessment of a business worth can be an individual tool for any business owner. Business valuation have helped clients faced with challenges presented by purchasing and selling of a business. Ethics Plus can prepare comprehensive valuation for a variety of business regardless of size and structure.

## Consulting Services
